1 Terms and Conditions for SIP Spokesperson Candidate Eligibility

The following are the requirements for SIP Spokesperson eligibility:

1. Individuals from active Full Member companies, Institutional Members, and the Board of Directors are candidates for inclusion in the program. The Board can, at its discretion, also approve individuals that do not meet any of the above criteria, on a case-by-case basis.
2. Eligible candidates must be actively engaged in positively promoting the Forum's activities and evangelizing SIP technology. In general, evidence of this is through working with existing standards bodies, presenting at industry conferences and trade shows, or publishing articles, columns, or other content in industry trade publications.
3. The SIP Forum Board of Directors will review and approve candidate Spokespersons in a timely fashion.
4. Service in the SIP Spokesperson program is also at the discretion of the Board of Directors. The Board of Directors may reject an eligible candidate or remove an existing individual from the Spokesperson program with or without cause, and the Board is not required to provide the rationale for such action.
