

Results of Post SIPNOC US 2012 Attendee Questionnaire

June 29, 2012

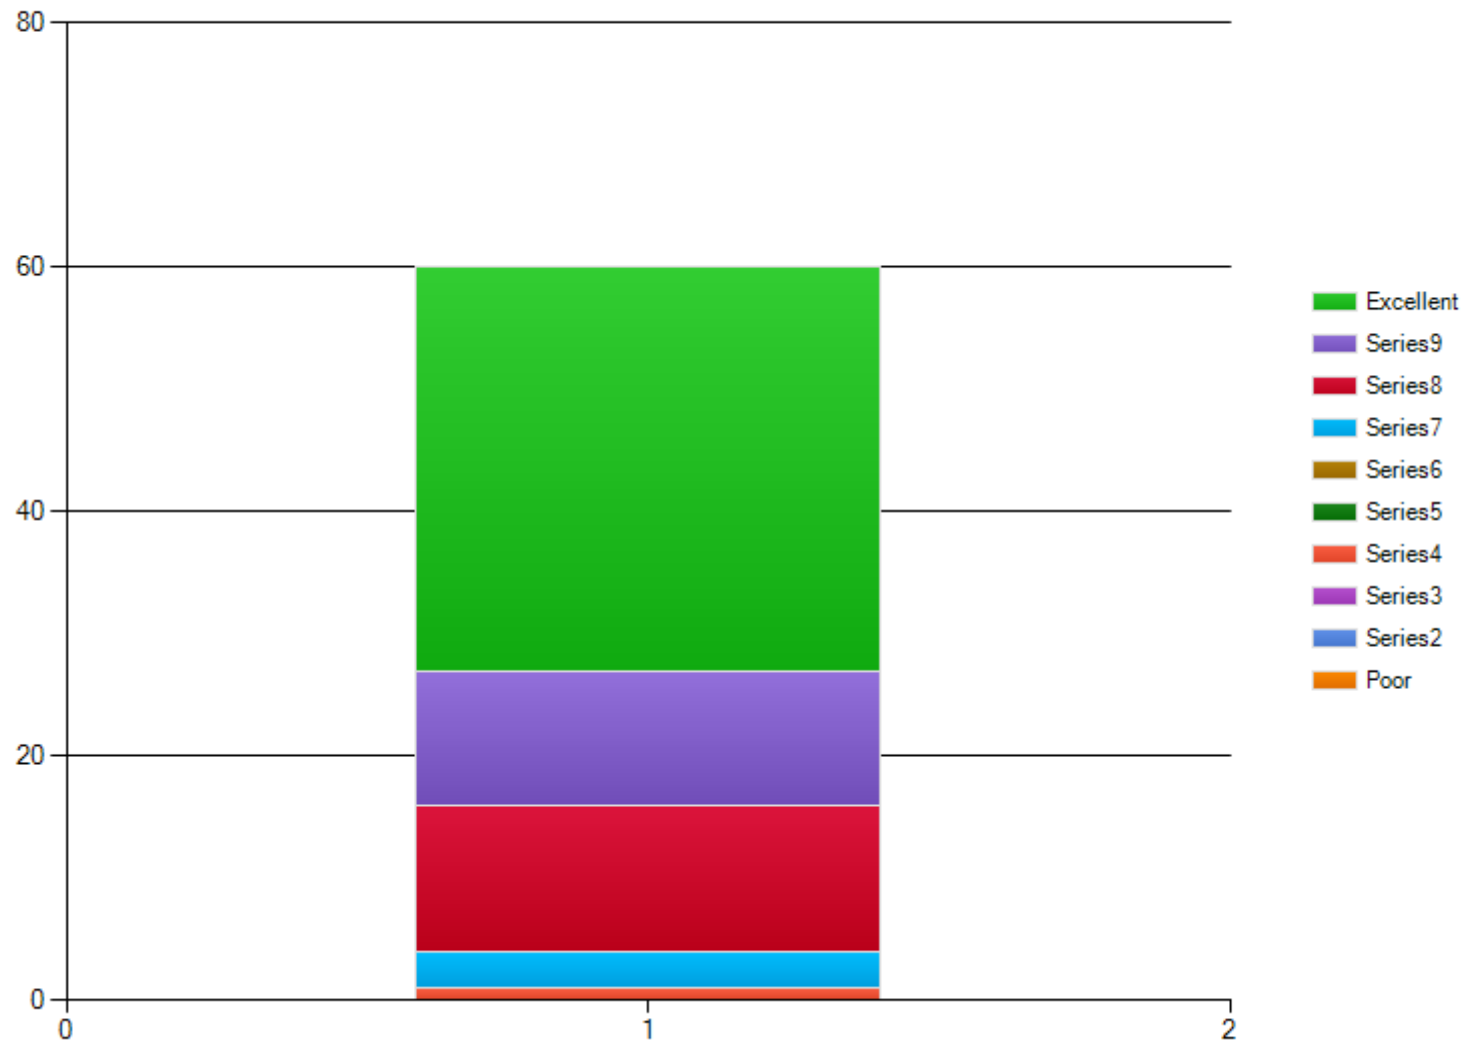

Survey Data Points

- **Results based on 60 Completed Questionnaires out of 135 Total Number of Attendees**

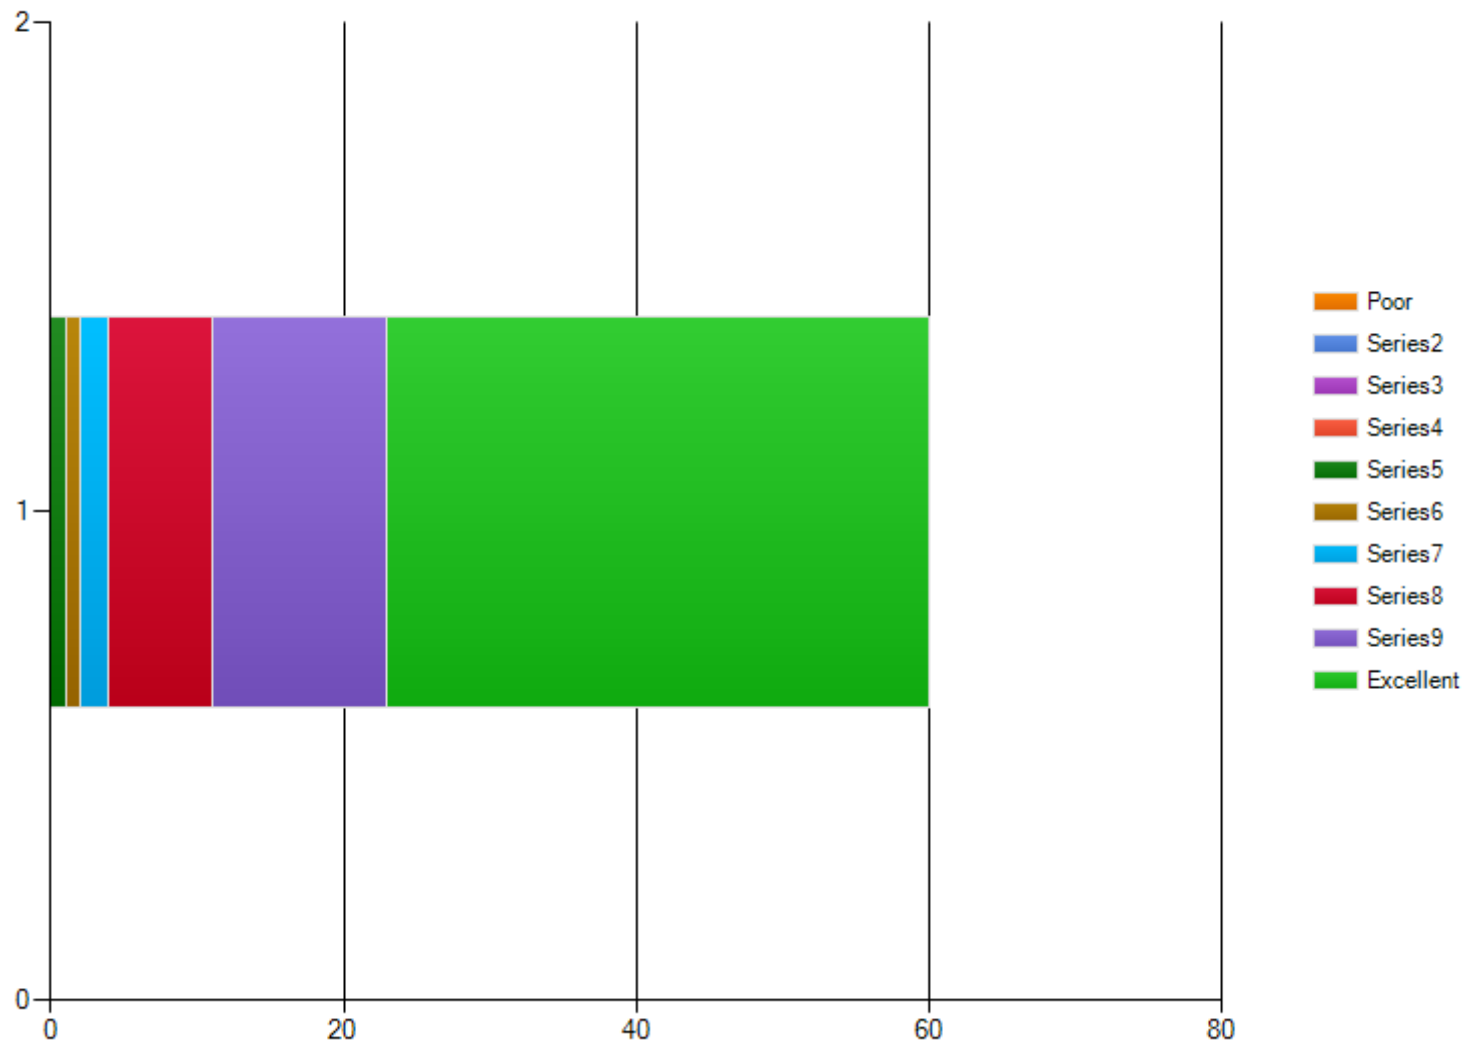

Information on the SIPNOC Website was sufficient for me to make my arrangements.

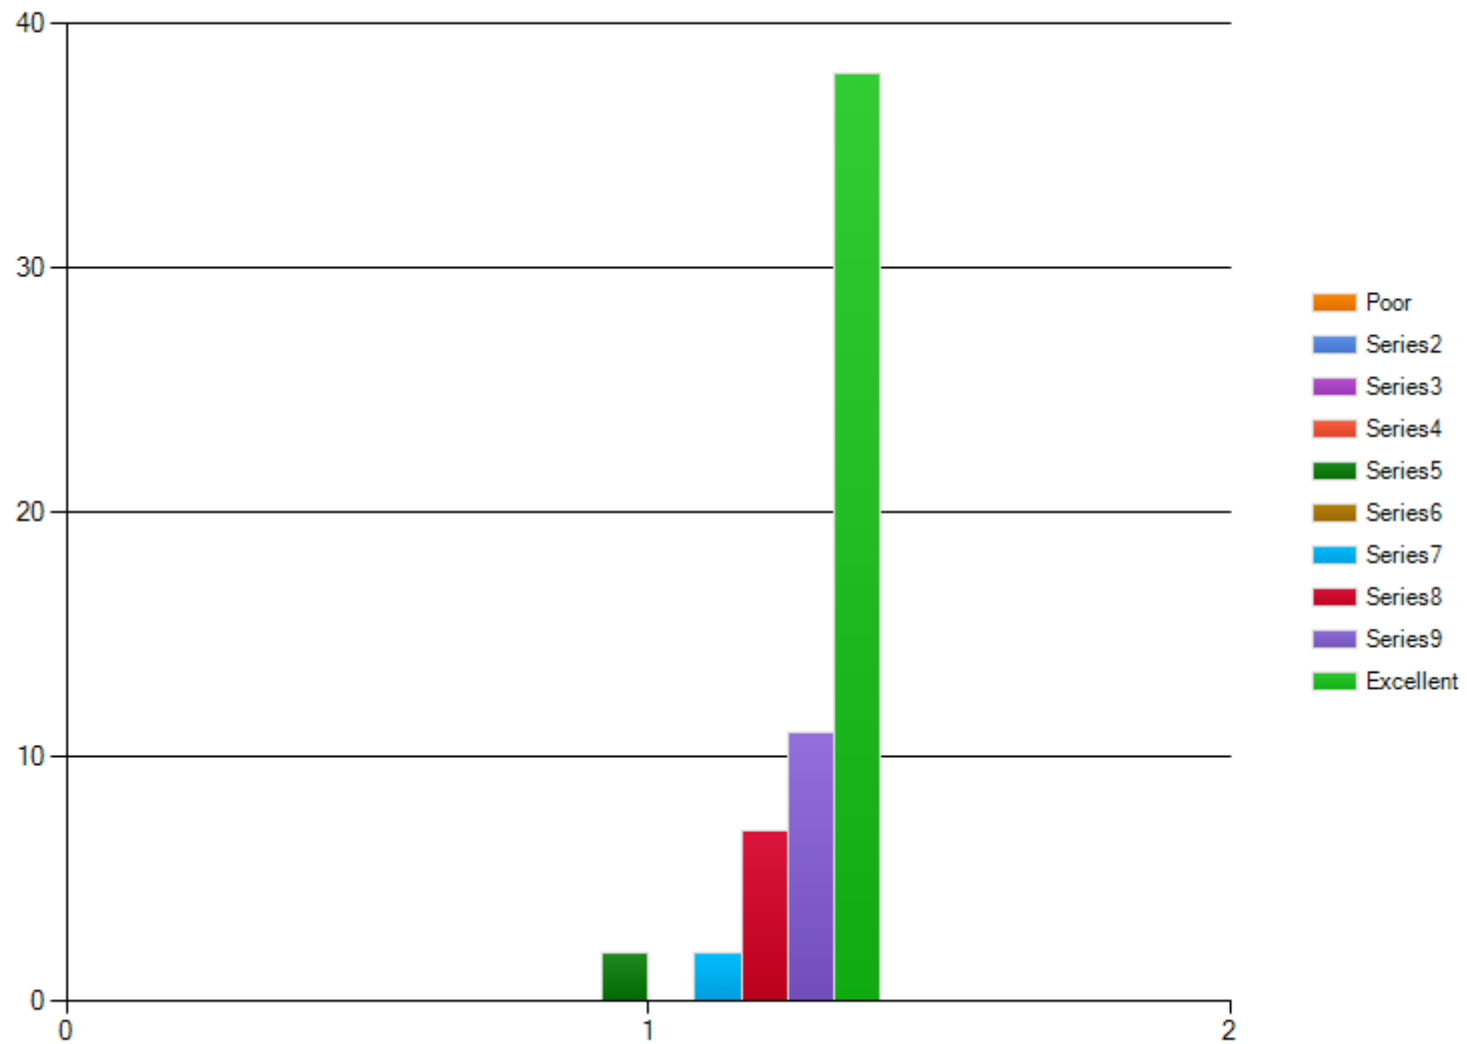

The emails promoting the event were informative and useful.

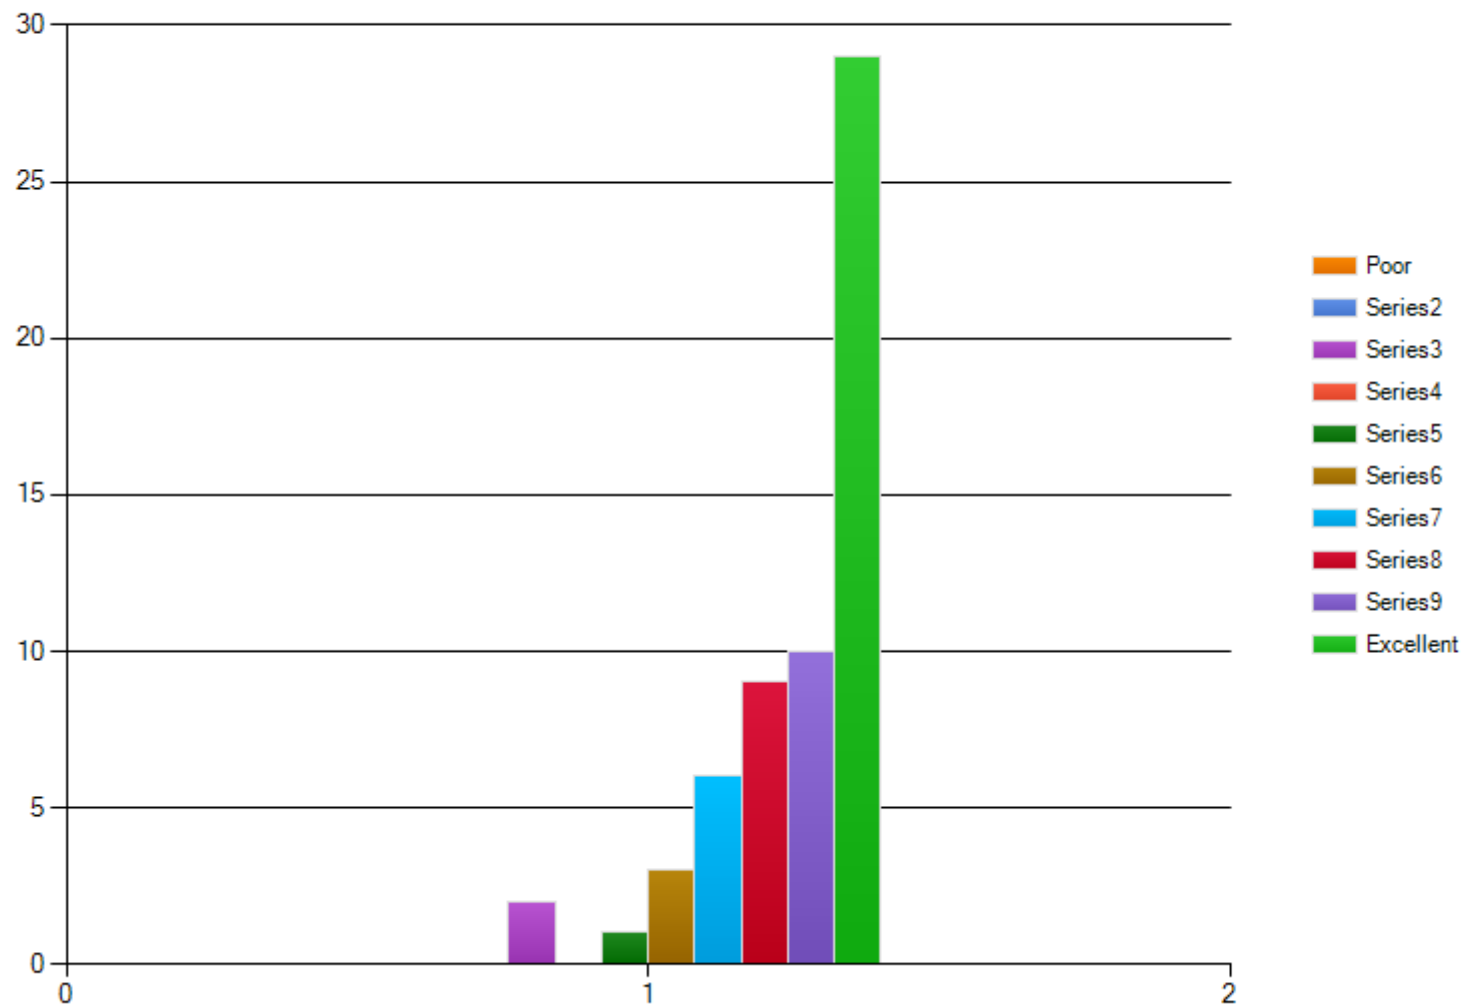

The online registration system was easy to use.

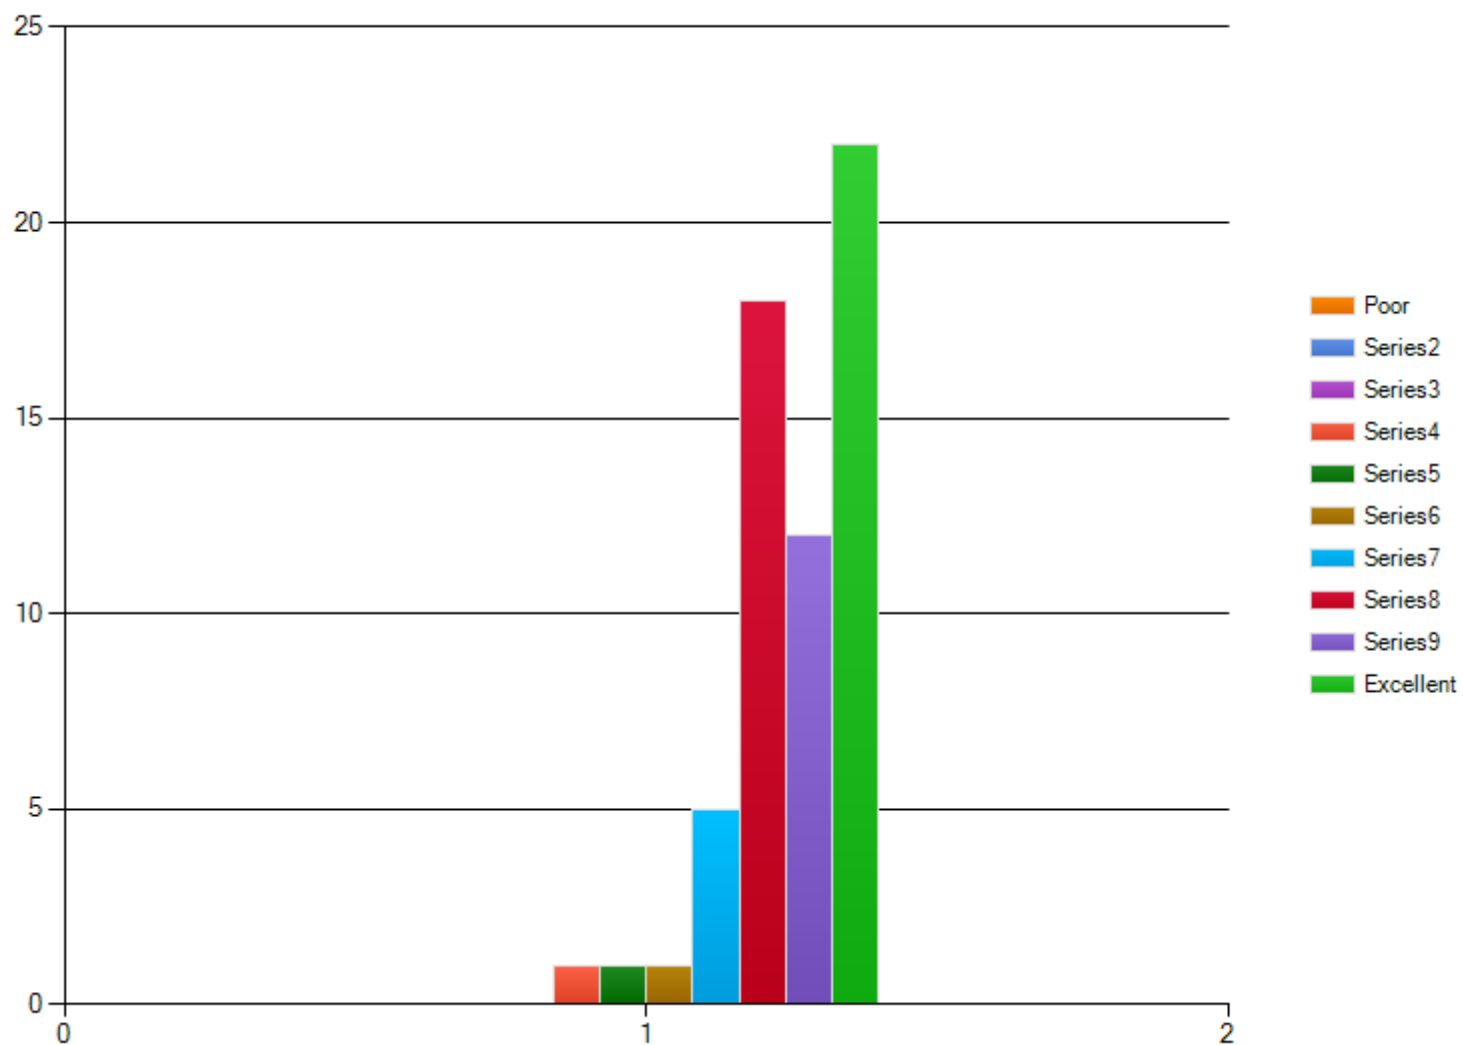

The online reservations system for booking hotel rooms was easy to use.

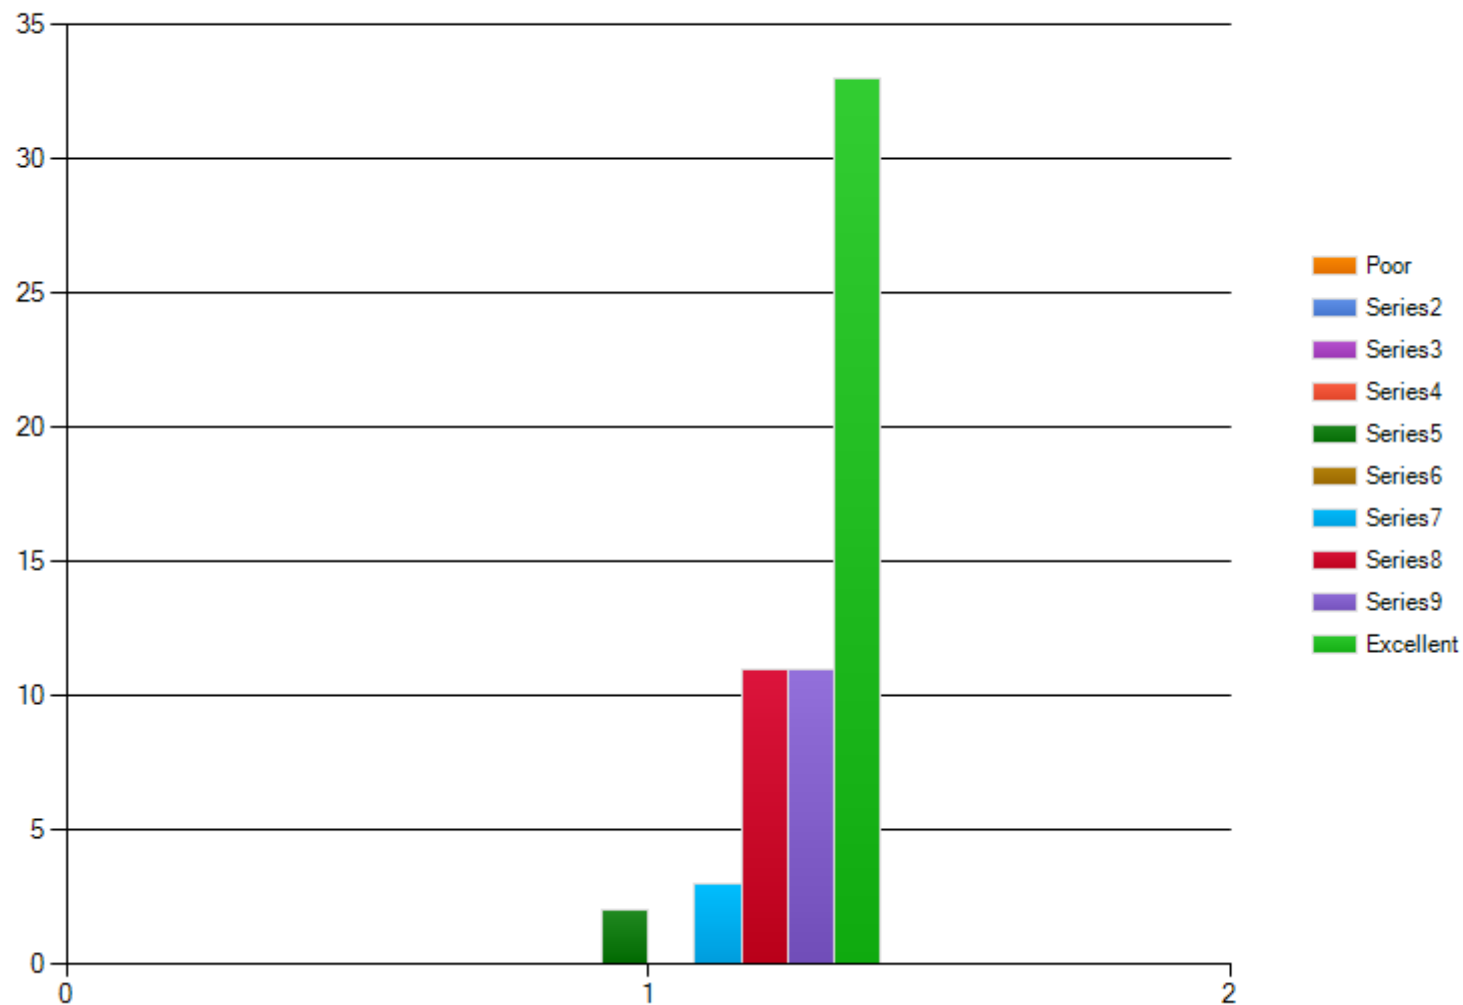

The keynote speaker, Henning Schulzrinne, was a positive aspect to the conference.

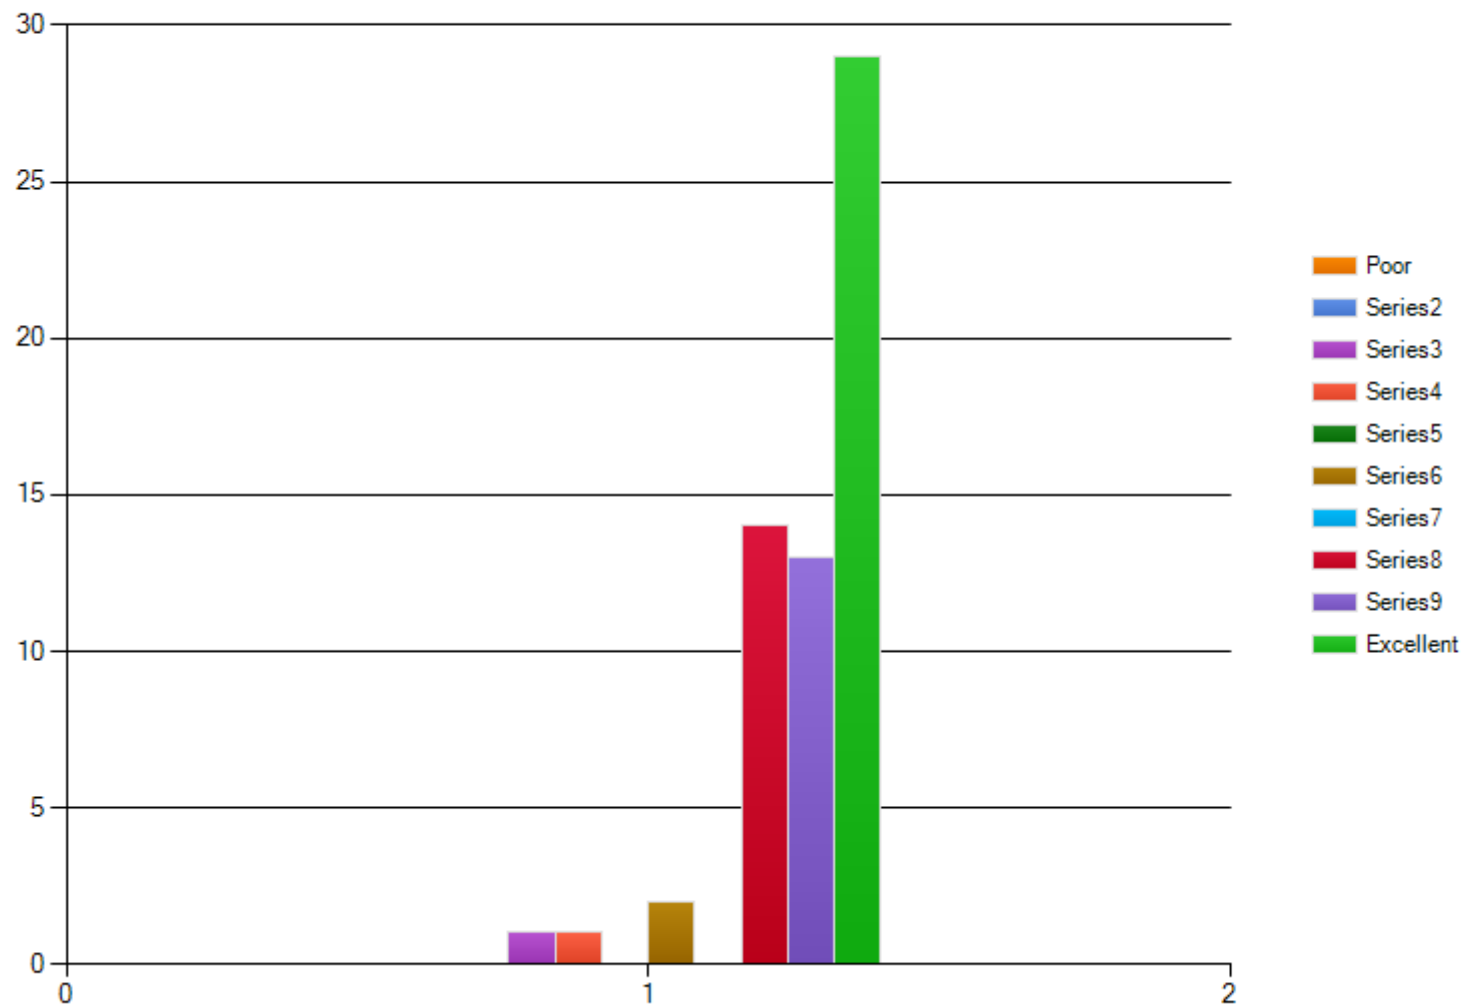

The conference covered enough topics that were relevant to me.

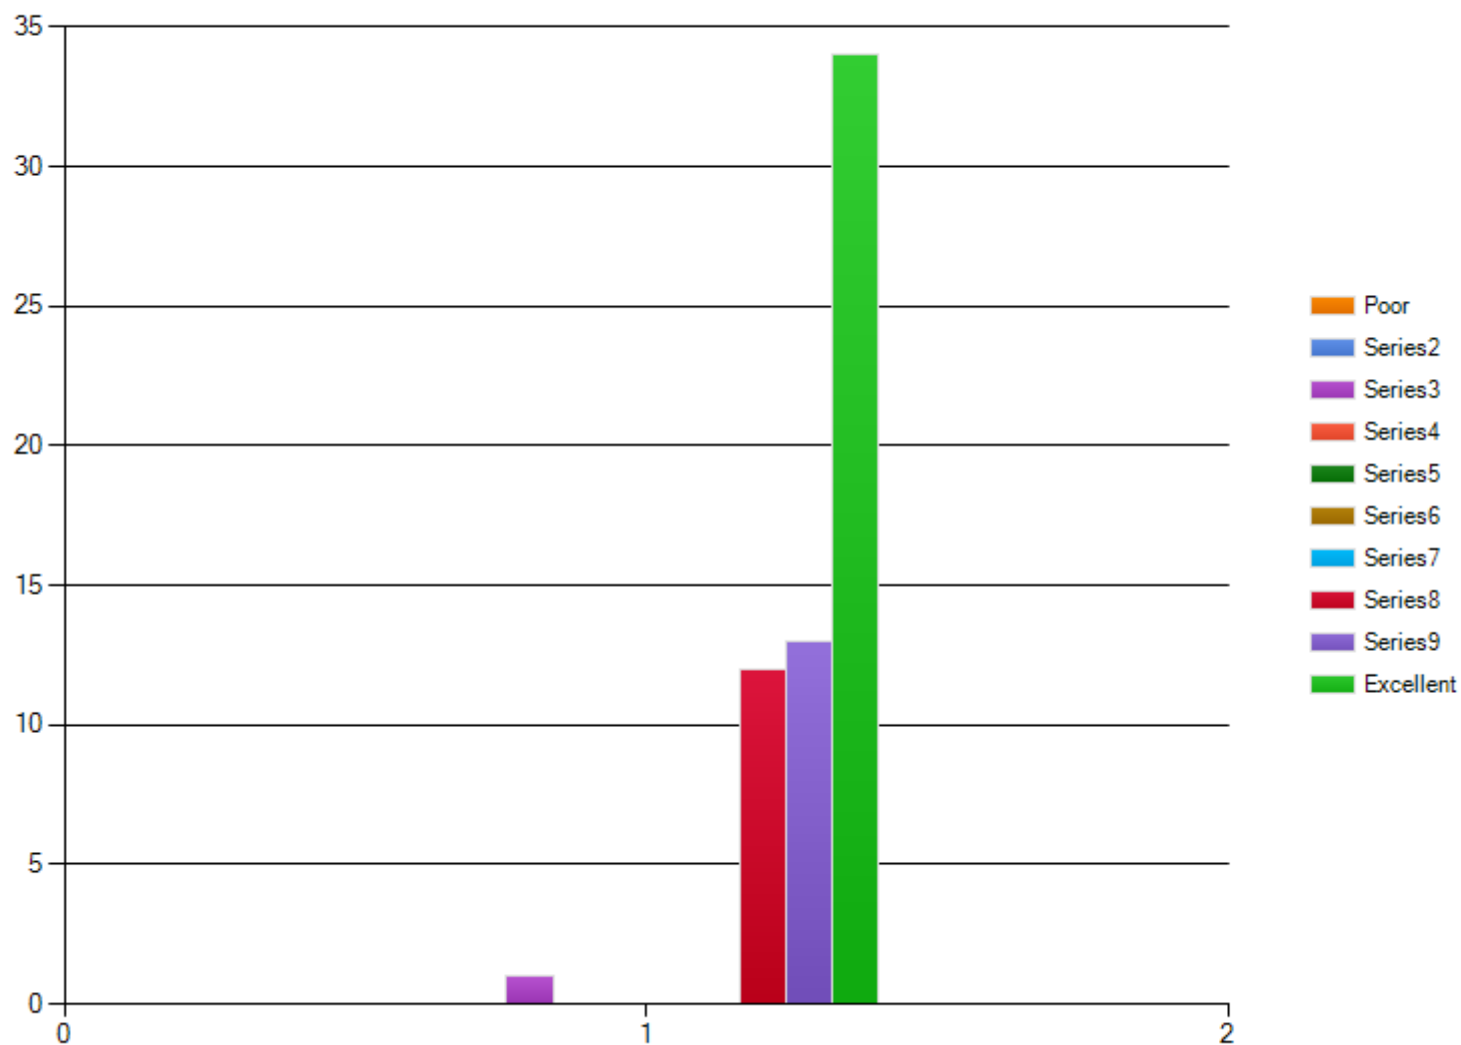

I enjoyed the planned receptions (Attendee Welcome and "Beer and Gear".)

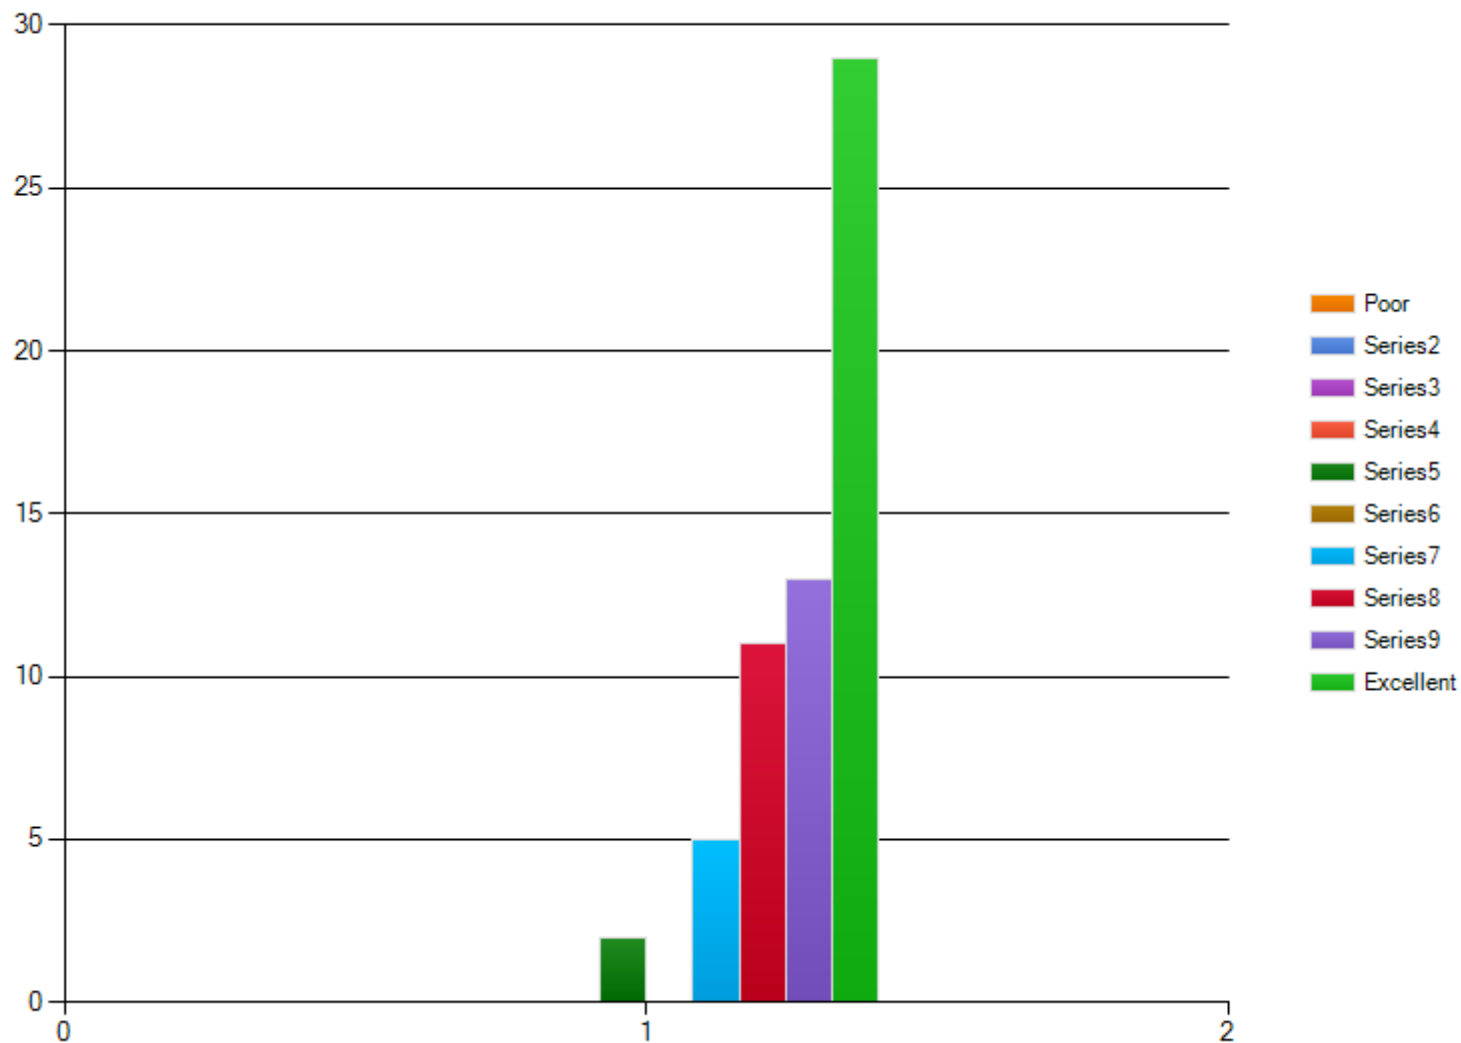

The location of the conference was convenient and accessible (Herndon, VA).

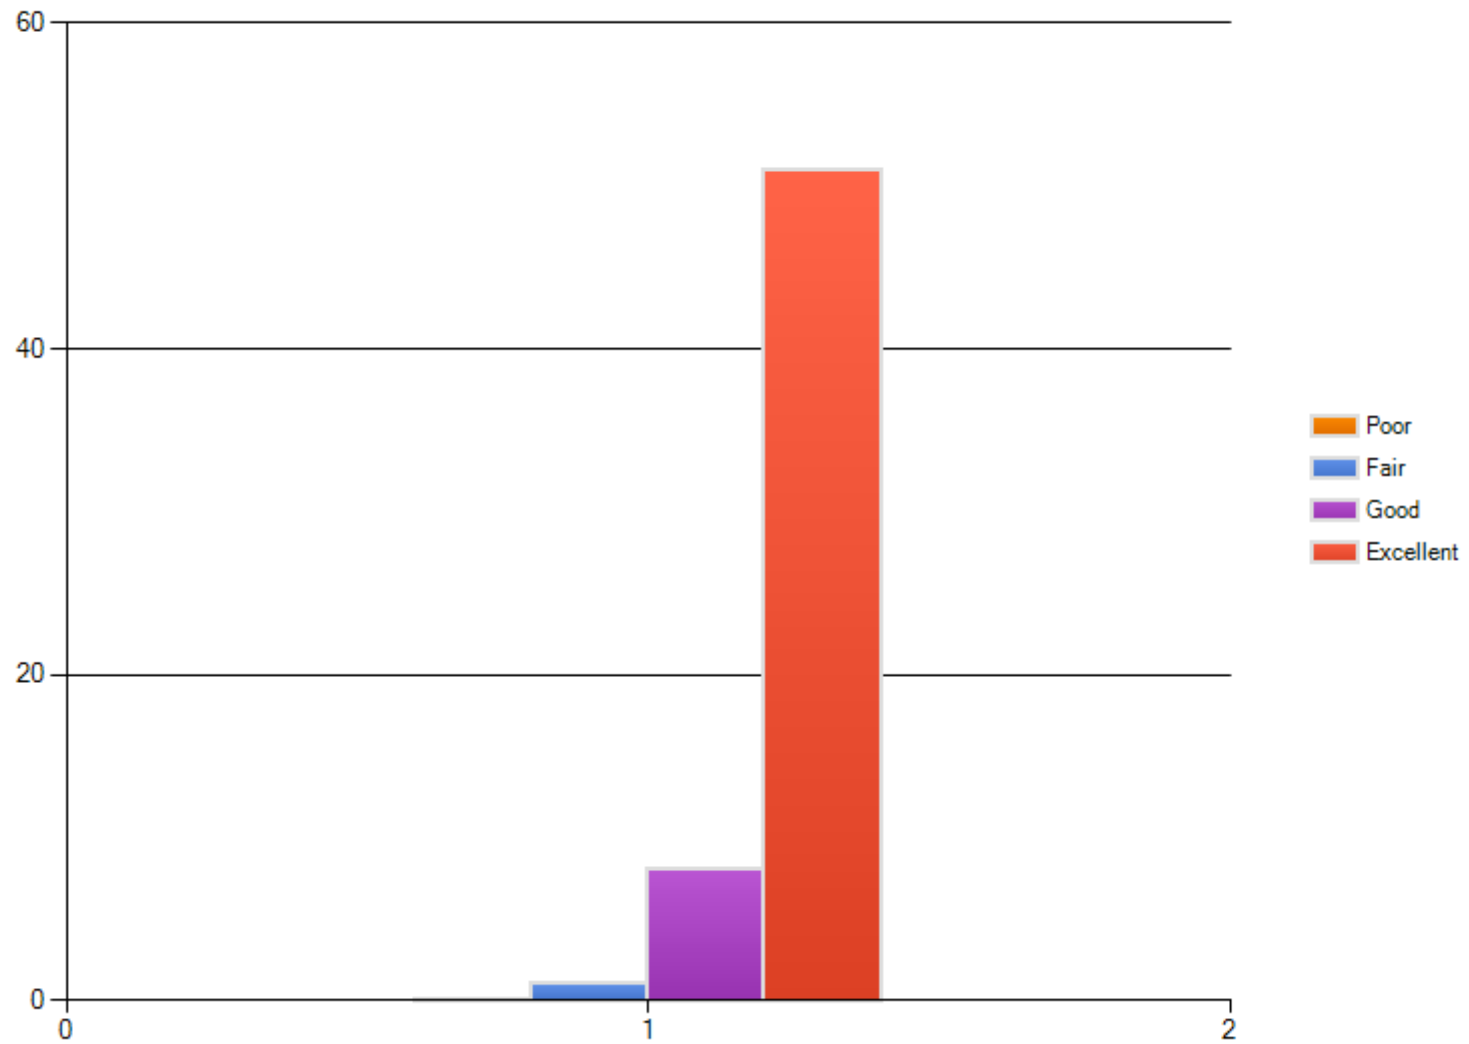

The meeting facilities at the Hyatt Dulles were well-suited to the event.

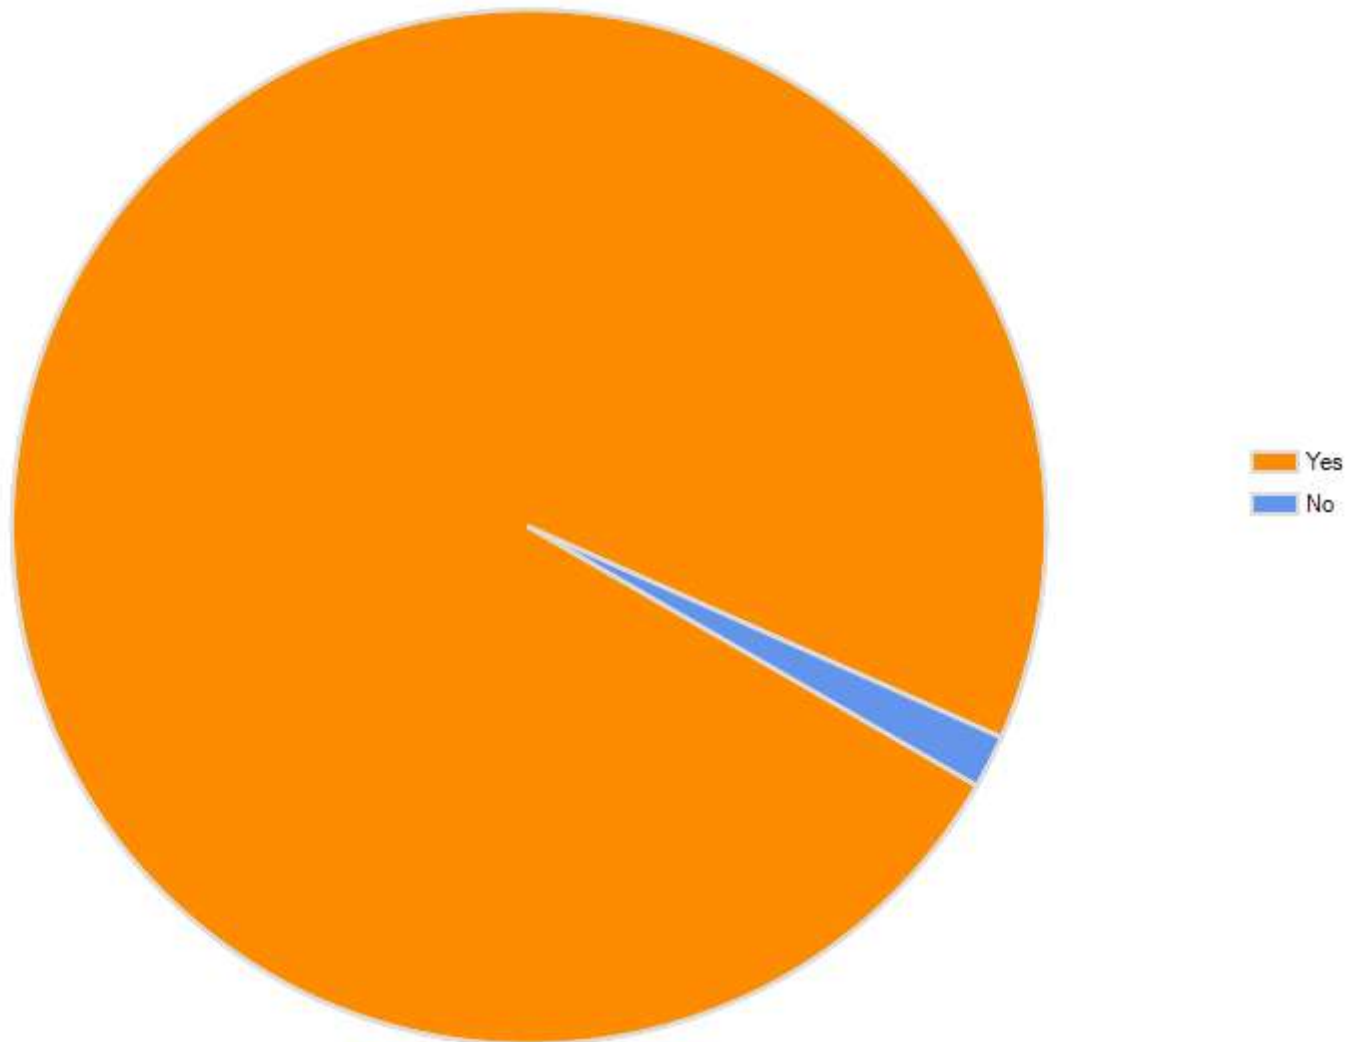

I enjoyed the meals and breaks served during the conference.

My overall rating of this conference is:

I plan to attend the next SIPNOC conference.

I plan to recommend that my company send more people to the next conference.
