SIPconnect 1.1
CERTIFICATION TEST
APPLICATION

SIPconnect 1.1 Application Form Instructions and Test Scheduling Procedures

1. Contact Marc Robins, SIP Forum Managing Director, with any questions or concerns at marc.robins ("at") sipforum.org, call +1-203-829-6307 or fax +1-484-952-2470.
2. Send the completed and signed application form to Marc Robins.
3. If approved, complete and submit License Agreement to the SIP Forum.
4. Review, sign and submit IOL SIPconnect Test Service Agreement (PDF) to the SIP Forum.
5. Invoice will be issued by SIP Forum and Program Participant Pays Testing Fee.
6. Request account from IOL (URL will be provided to participant directly).
7. IOL activates account when the testing fee payment has processed, and Test Service Agreement signed.
8. View/Update Reservation for testing (URL will be provided to participant directly).
9. Run Pre-Testing as Desired (either remote or on-site) (See Remote Testing Guide).
10. Official Certification Testing commences as scheduled.
11. Official Testing Report issued at completion of testing by UNH-IOL.
12. Official notice of compliance or non-compliance issued to participant by SIP Forum.
13. Upon successful passing test, an official notice of certification and the countersigned License Agreement will be returned to participant by the SIP Forum.
14. If product or service offering does not pass testing, Program participant may request and schedule a retest within 6 months and repeat process from step 8 above.

Certification Committee members will review applications and return a response to the applicant with one of the following choices: approved, approval contingent upon confirmation of eligibility, or not approved. Certification Committee members will be given a period of two weeks to return a response. Further instructions will be provided to schedule, configure network connectivity and orchestrate the testing once the application has been approved.
